

**the Kingdom  
and Education**  
*living together by faith*

Three years into our Transition from the pioneering generation we have made significant progress, though not always on the expected path. A pioneer's Vision has been owned by a community, and the opportunities ahead require a new level of faith.

We'll be exploring how the Kingdom applies to our journey and destination; hearing testimony on the way, and news about plans for the school buildings.

**Wednesday 12th May**  
**7.15pm to 9.30pm**

*The Vocal Group and Chamber Choir will be performing  
at the beginning and end of the evening.  
Refreshments will be served*

**invitation**
